ABOUT US

Cowley Manor is a contemporary country house hotel which sits in the glorious Cotswold countryside surrounded by 55 acres of parkland, woods and meadows. The famous gardens feature several natural springs, a series of lakes and Victorian cascades.

Cowley Manor opened in 2002 and its award winning design and architecture combined to pioneer a new wave of contemporary country house hotels. With emphasis on comfort, service and very few rules, Cowley Manor is the ideal place to relax, unwind and indulge in the heart of the British countryside.
